

Current Rates for Services Offered through the Waisman Center Rodent Models Core
(updated 8/10/16)

The Waisman Center offers PIs some level of subsidy, depending on your grant sponsor and whether your grant is administered by the Waisman Center. An * indicates that a particular service is not eligible for subsidies. If you have any questions regarding the services, please contact [Albee Messing](#) or [Jason Pinnow](#). If you have any questions regarding your project's subsidy, please contact [Jody Bleck](#).
