July 2022

Dear Friend:

This fall, the Friends of the Waisman Center invite you to run, walk, or roll with us on **Sunday, October 9** for the **Waisman Whirl 5k or 1 mile Run, Walk, & Roll**. This benefit is a key opportunity to raise awareness and funds for the Waisman Center's clinics, research, and outreach programs that serve thousands of individuals and families affected by developmental disabilities such as autism, Down syndrome, and cerebral palsy and neurodegenerative diseases like Alzheimer's and Parkinson's disease.

Proceeds have a direct and significant impact on the children and families who come to the Waisman Center for help and position the Waisman Center to achieve even greater success in the future—in our pursuit of knowledge, in the care that we provide and in the lives that we touch.

Come Together FOR Waisman! The Whirl is family-friendly and accessible. The event kicks off at **9:00 a.m.** with activities such as a face-painting, crafts, and a Kids' Fun Run in the Waisman Discovery Garden. The 5k or 1 mile **run/walk/roll begins at 10:00 a.m.**

Please join us in support of the Waisman Center and the community we serve!

We hope you will partner with us in transforming lives and building brighter futures!
There are many sponsorship opportunities which are detailed on the enclosed registration form.

Thank you for your partnership!
